Let's Make This Last Forever

I need a kick drum,
A guitar now,
And a bass line,
Gonna show you how,

How to rock
How to dance
How to get down,
And all I need is a piano in my track now

(Chorus)
Throw your hands
Throw your hands
Throw your hands
Throw your hands up
(Whoa ohoh, whoa ohoh)

Cause you can't
Cause you can't
Cause you can't
Cause you can't stop
(Whoa ohoh, whoa ohoh)

Can you hear me (hey)
Do you feel it (hey)
If you with me go
1-2-3

Cause we're here and we're now and we're all together
So let's make this last forever

Turn the amps up,
Turn the lights down,
Brush yourself off,
I'm a show you how

How to rock how to dance to get down,
Everybody on the floor now,

(Chorus)

Of all the stars are in the sky tonight
Compared to us,
well they don't shine quite as bright

(Chorus)

Throw your hands
Throw your hands
Throw your hands
Throw your hands up
(Whoa ohoh, whoa ohoh)

Cause you can't
Cause you can't
Cause you can't
Cause you can't stop
(Whoa ohoh, whoa ohoh)

Can you hear me (hey)
Do you feel it (hey)
If you with me go
1-2-3

Cause we're here and we're now and we're all together
So let's make this last forever

Let's make this last forever (3x)

Of all the stars in the sky tonight
compared to us
well they don't shine quite as bright

(Chorus-2x)

Let's make this last forever (5x)

'Cause we're here and we're now
and we're all together
so let's make this last forever
