There's a gold frame
That sits by the window
And my heart breaks
A little more each time I try
To picture the memory inside
There's an old book
That's too hard to read it
But if you look
You'll see how you look through my eyes
By now one more chapter's gone by
And I know

(Chorus)
It's time to move on
Even though I'm not ready
I've got to be strong
And trust where you're heading
And even though it's not easy
(It's not easy)
Right now the right
Kind of love
Is the love that let's go go

There's an old dance
That we've done forever
You give me your hand
But let me decide when to reach
You always let me be me
But now's my time to take chances
And fine my own wings
And whatever happens
I know you'll be there waiting for me

(Chorus)
It's time to move on
Even though I'm not ready
I've got to be strong
And trust where I'm heading
And even though it's not easy
(It's not easy)
I know the right kind of love
Doesn't wanna miss the future

By staying in the past
It will always hold on
But never hold you back
And even though it's not easy
(It's not easy)
Right now the right kind of love
Is the love that lets go go
(It's time to move on)
With the love that let's go
