So what you see is only half the story
There's another side of me
I'm a girl you know but i'm someone else too
If you only knew
" Just like you"
It's a crazy life
But i'm all right
I've got everything i always wanted
Living the dream
So yeah
Everything i always wanted
Is it always what it seems
I'm a lucky girl
Who's dreams came true
But underneath it all
I'm just like you

Don't wanna be
Treated differently I wanna keep it all inside
Half the time i've got my name in lights
The other half i'm by your side

It's a crazy life
But i'm just fine
I've got everything i always wanted
Living the dream
So yeah everything i always wanted
Is it always what it seems
I'm a lucky girl
Who's dreams came true
But underneath it all
I'm just like you

Yeah Yeah
Can't you see i'm just an ordinary girl
Living in an extraordinary world
Trying to live
Trying to learn
Trying to just be who i am
Who i am

I got everything i've always wanted

Living the dream
So yeah
Everything I've always wanted
Is it always what it seems
I'm a lucky girl
Who's dreams came true
But underneath it all
I'm just like you

I got everything i've always wanted
Living the dream
So yeah
Everything I've always wanted
Is it always what it seems
I'm a lucky girl
Who's dreams came true
But underneath it all
I'm just like you
