everybody makes mistakes
everybody has those days
1 2 3 4
everybody makes mistakes
everybody has those days
everybody knows what...what I'm talking about
everybody gets that way
everybody makes mistakes
everybody has those days
everybody knows what...what I'm talking about
everybody gets that way

sometimes I'm in a jam
I've gotta make a plan
it might be crazy
I do it anyway
no way to know for sure
I figure out a cure
I'm patching up the holes
but then it overflows
if I'm not doing to well yeah , yeah , yeah
why be so hard on myself

nobody's perfect
I gotta work it
again and again 'till I get it right
nobody's perfect
you live and you learn it
and if I mess it up sometimes...
nobody's perfect

sometimes I work a scheme
but then it flips on me
doesn't turn out how I planned
get stuck in quick sand
but no problem can't be solved
once I get involved
I try to be delicate
then crash right into it
but my intention's are good yeah , yeah , yeah
sometimes just misunderstood

nobody's perfect
I gotta work it
again and again 'till I get it right

nobody's perfect
you live and you learn it
and if I mess it up sometimes...
nobody's perfect

sometimes I fix things up
and they fall apart again
nobody's perfect
I might mix things up
but I always get it right in the end
you know I do

[Talking]
Next time you feel like... it's just one of those days...
when you just can't seem to win
If things don't turn out the way you plan,
FIGURE SOMETHING ELSE OUT!
Don't stay down! Try again! **YEAH!**

everybody makes mistakes
everybody has those days
everybody knows what...what I'm talking about
everybody gets that way
everybody makes mistakes
everybody has those days
everybody knows what what I'm talking about
everybody gets that way
nobody's perfect
I gotta work it
again and again 'till I get it right
nobody's perfect
ya live and you learn it
and if I mess it up sometimes...

nobody's perfect
I gotta work it
I know in time I'll find the way
nobody's perfect
ya live and you learn it
cause everybody makes mistakes
nobody's perfect
