#### (VERSE)1

I hopped off the plane at LAX  
With a dream and my cardigan  
Welcome to the land of fame access  
Am I gonna fit in?  
Jumped in a cab  
Here I am for the first time  
Looked to my right  
And I see the Hollywood sign  
This is all so crazy  
Everybody's seems' so famous

My tummy's turnin'  
And I'm feelin' kinda homesick  
Too much pressure and I'm nervous  
'Cause when the taxi man  
Turned on the radio  
And a JAY-Z song was on(x3)

#### (CHORUS)1

So I put my hands up  
They're playing my song  
The butterflies fly away  
Noddin' my head like yeah!  
Movin' my hips like yeah!  
I put my hands up  
They're playing my song  
Ya know I'm gonna be okay  
Yeah!  
It's a party in the USA!  
Yeah!  
It's a party in the USA!

#### (VERSE)2

Get to the club in my taxi cab  
Everybody's lookin' at me now  
Like who's that chick that's rockin' kicks  
She gotta be from outta town  
So hard with my girls not around me  
It's definitely not a Nashville party  
'Cause all I see are stillettos

I guess I never got the memo

My tummy's turnin'  
And I'm feelin' kinda homesick  
Too much pressure and I'm nervous  
'Cause when the DJ  
Dropped my favorite tune  
And a britney song was on(x3)

CHORUS1

(Bridge)1  
I feel like hoppin' on a flight  
Back to my hometown tonight  
Somethin' stops me everytime  
The DJ plays my song and I feel alright

CHORUS1

CHORUS1

Yeah!  
It's a party in the USA!
