I know you think I'm perfect  
I know you think I'm fine  
But that's not the real side of me  
everytime  
You think I'm the one for you  
You think that I love you  
But that is not true  
Now this what I got to say to you

It's not perfect everyday  
I try all the time to make it right  
It's not the time to talk about this  
It's not perfect everyday  
I always make mistakes  
and that's who I am  
It's not perfect everyday

I know you think pretty  
I know you think I'm cool  
But sometimes I just like to take  
a dip in the pool  
You think I'm the one for you  
You think that I love you  
But that is not true  
This is what I got to say to you

It's not so perfect everyday

I try all the time to make it right  
It's not the time to talk about this  
It's not perfect everyday  
I always make mistakes  
and that's who I am  
It's not perfect everyday

(Bridge)

Nobody's perfect and I know it  
It's something you should see  
It's not perfect everyday  
You know that theres destiny inside of you  
Know this is what I gotta say to you

(Slowly and Softly)

It's not perfect everyday and I don't have to try  
To make it all fall into place

It's not so perfect everyday

It's not so perfect everyday

It's not so perfect everyday

(perfect everyday)

It's not so perfect everyday!

yea
