Baby tell me that you want me, want me  
Baby tell me that you need me  
'Cause you know I'm onto you  
Keep it on the low  
I'll be waiting for you  
Baby come on let me show you  
Show you what I can do  
I can make it all come true  
'Cause I'm onto you  
Keep it on the low  
I'll be waiting for you

Oh...  
We're dancing in the red light  
I can do it all night  
Oh...  
It's your addiction  
We don't need a reason

Closer  
Keep on moving closer, closer  
Hiding in the shadows of the corner  
Oh I'm falling over you  
Oh I hope you know  
I'll be waiting for you

Oh...  
We're dancing in the red light  
I can do it all night  
Oh...  
It's your addiction  
We don't need a reason

Baby you don't have to be alone  
We can make it all alright  
Collide tonight

Oh...  
We're dancing in the red light  
I can do it all night  
Oh...  
It's your addiction

We don't need a reason

Oh...

We're dancing in the red light

I can do it all night

Oh...

It's your addiction

We don't need a reason

Oh...

We're dancing in the red light

I can do it all night

Oh...

It's your addiction

We don't need a reason
