Rockstar lyrics

Sometimes I walk a little faster
In the school hallway just to get next to you
Some days I spend a little extra time
In the morning just to impress you

Guess you don't notice, guess you don't need
this
And you're not seeing what you're missing
On the outside shyin' away
On the inside dyin' to say

I'm unusual, not so typical
Way too smart to be waiting around
Tai Chi practicin', snowboard champion!
I could fix the flat on your car

I might even be a rock star
I might even be a rock star

Sometimes I wish when the phone rings
That it would be you saying, "Let's hang out"
Then you confess that there's something
special
between us, why don't we find out

You don't even know me, guess you don't
need me
Why you're not seein' what you're missin'

On the outside shyin' away
On the inside dyin' to say

I'm unusual, not so typical
Way too smart to be waiting around
Tai Chi practicin', snowboard champion!
I could fix the flat on your car
I might even be a rock star

If you only knew the real me
I might even be a rock star

I'm tellin' you that we are meant to be

Now wouldn't it be nice if you could see
That I really am a rock star
Yeah yeah

Yeah I really am a rock star

A rock star

I'm unusual, not so typical
Way too smart to be waiting around
Tai Chi practices, snowboard champion!
I could fix the flat on your car

Rockin' it wherever we are, yeah yeah
'Cause I really am a rock star
'Cause I really am a rock star
I am a rock star, whoa, yeah!
