Take the world  
Shakin', stirrin'  
That's what I've goin' on  
I throw my cares up in the air  
And I don't think they're comin' down  
Yeah, I love how it feels right now

This is the life!  
Hold on tight!  
And this is the dream!  
It's all I need!

You never know where you'll find it  
And I'm gonna take my time, yeah  
I'm still getting it right  
This is the life

Takin' in a whole new scene  
And I'm swimmin' with a new crowd  
Breakin' down the old four walls  
And I'm building them up from the ground  
Yeah, I love how it feels right now

This is the life!  
Hold on tight!  
And this is the dream!  
It's all I need!  
You never know where you'll find it  
And I'm gonna take my time, yeah  
I'm still getting it right  
This is the life

I'm gonna follow my own lead, yeah  
Kick back and feel the breeze  
Nothing but the blue sky  
As far as I can see

This is the life  
Hold on tight  
And this is the dream  
It's all I need

You never know where you'll find it  
And I'm gonna take my time, yeah  
I'm still getting it right

This is the life!  
Hold on tight!  
And this is the dream!  
It's all I need!

You never know where you'll find it  
And I'm gonna take my time, yeah  
I'm still getting it right  
This is the life
