Whenever I wear high heels  
All I hear is screams and squeals  
And if I wear t-shirts and jeans  
I hardly ever hear a thing  
Shouldn't I get treated differently?  
My friends all ask me  
I'm happy the way I am

Cuz things don't get crazy  
Nobody screams at me, baby  
And I like it better this way!

CHORUS:

Cuz whenever I hear screams and shouts  
I think this is not what life's about  
But hardly anybody gets a chance  
Like I did before I screwed it up  
And now my life's really rough  
You people don't know how this thing works  
Just know that this life hurts

All my friends don't suspect a thing  
Except the two special people  
Who know everything  
They're the only encourage that encourage me to keep  
my life  
Cuz if I didn't have them don't know what I'd do  
Probably end up hating you  
And overall it's been too good to be true

Cuz things dont get crazy!  
It's really better this way, baby!  
They don't know what they're asking for!

CHORUS

All my fans, they covet my life  
They wanna be the ones living life on a ride  
But they have no idea how hard is to  
Be the star, always do things right  
Isn't making mistakes part of everyone's life?!  
So why's it do hard for me.....?!?!?
