[VERSE 1]

We sign our cards and letters BFF
You've got a million ways to make me laugh
You're lookin' out for me; you've got my back
It's so good to have you around

You know the secrets I could never tell
And when I'm quiet you break through my shell
Don't feel the need to do a rebel yell
Cause you keep my feet on the ground

[CHORUS 1]

You're a true friend
You're here till the end
You pull me aside
When something ain't right
Talk with me now and into the night
'Til it's alright again
You're a true friend

[VERSE 2]

You don't get angry when I change the plans
Somehow you're never out of second chances and
Won't say "I told you" when I'm wrong again
I'm so lucky that I found

[CHORUS 2]

A true friend
You're here till the end
You pull me aside
When something ain't right
Talk with me now and into the night
'Til it's alright again

[BRIDGE]

True friends will go to the ends of the earth
Till they find the things you need
Friends hang on through the ups and the downs
Cause they've got someone to believe in

[CHORUS 3]

A true friend

You're here till the end
You pull me aside
When something ain't right
Talk with me now and into the night
Don't need to pretend
ohh yeah
A true friend
You're here till the end(till the end)
(Your here till the end)
You pull me aside
When something ain't right
Talk with me now and into the night
'Til it's alright again
You're a true friend [3x]
