We sign our cards and letters BFF
you got a million ways to make me laugh
you look'n out for me, you got my back
so good to have you around
you know the secrets i could never tell
and when im quiet you break through my shell
dont feel the need to do a rebel yell
cuz you keep my feet on the ground

[CHORUS]:

your A true friend
You're here 'till the end
You pull me aside
When something ain't right
Talk with me now
and into the night
"till it's alright again
You're a true friend

you dont get angry when i change the plans
some how your never out of second chances wont say i
told you i told you when im wrong again
in so lucky that i found...

[CHORUS]

A true friend
You're here 'till the end
You pull me aside
When something ain't right
Talk with me now
and into the night
"till it's alright again

True friends will go to the ends of the earth till they
find the things you need
friends hang on through the ups and the downs cause
they got someone to believe in

A true friend
You're here 'till the end
You pull me aside

When something ain't right
Talk with me now
and into the night
No need to pretend
oh!

[CHORUS]

A true friend
You're here 'till the end
You pull me aside
When something ain't right
Talk with me now
and into the night
"till it's alright again

Your a true friend
Your a true friend
Your a true friend
