"Twist And Turn"

I close my eyes,
I fall asleep and forget about recent cries
I dream about my mom,
I dream about my super star life,
then it hits me
I have had bad things in my life
I have a wife,
I got stabbed with a knife
so I twist and turn
and turned and twist
and burned and kissed

My life is a roller coaster
So I twist and turn in bad
OH OH
Thump Thump Thump
Hump Hump Hump
I just noticed there is a boy in my bed
Oh yah I love my life
never a time to twist and turn
