Yeah the rumors are true
I deleted my Twitter, huh
Can you believe it
I got 2, 2 million
The I said adios
I had to say good bye
And this little rap is to tell my fans why
Uh, uh

No, it wasn't because my friend told me to
Y'all know very well what you say I don't do
And the reason's that simple
I started tweeting 'bout pimples
I stopped living for moments
And started living for people

Yeah, you write what you're doing
But who really cares
If I'm playing with Noah
Or just doing my hair
Everything that I type
And everything that I do

All those lame gossip sites take it
And they make it news
I want my private life private
I'm done trying to please
I ain't living for tabloids
No, I'm living for me
No more emo quotes
And fake feuds with Demi
Yeah, I'm done with all that
And the truth is I'm too busy
Yeah I gotta admit
I miss Dane Cook's tweets
And I really like looking at Katy Perry and Brittany
I might have some withdrawals
I was a little obsessed
But I'm peacing out
And I'm leaving with this
Uh, good-bye
Uh, uh, good-bye
