Everybody needs inspiration
Everybody needs a song
A beautiful melody when the night's so long
'Cause there is no guarantee that this life is easy

Yeah, when my world is falling apart
When there's no light to break up the dark
That's when I, I, I look at you

When the waves are flooding the shore
And I can't find my way home anymore
That's when I, I, I look at you

When I look at you, I see forgiveness, I see the truth
You love me for who I am like the stars hold the moon
Right there where they belong
And I know I'm not alone

Yeah, when my world is falling apart
When there's no light to break up the dark
That's when I, I, I look at you

When the waves are flooding the shore
And I can't find my way home anymore
That's when I, I, I look at you

You appear just like a dream to me
Just like kaleidoscope colors that prove to me
All I need, every breath that I breathe
Don't ya know, you're beautiful

Yeah, yeah

When the waves are flooding the shore
And I can't find my way home anymore
That's when I, I, I look at you
I look at you

Yeah, yeah, oh, oh
You appear just like a dream to me
