Come on guys,
Tell me what we're doing.
We're hanging 'round when we could be all of the
place.
The sun is shining just the way we like it,
Let's get outta this hallway;
Show the world our face.

[Pre-Chorus]

It's friday but theres no where to go,
Anywhere is cool but we're not going home.
And we can do anything we wanna do,
It's all up to me and you.

[Chorus]

Turn this park into a club,
The stars are lights and the moon is so bright from
above.
Skate board's here, its all right
So pull on up everyone is waiting for us.
Anywhere we are, anywhere we go,
Everybody knows.
We got the party with us.
Anywhere we are, anywhere we go,
Everybody knows.
We got the party with us.

We got the party with us.
We got the party with us.

Radio; let me be a DJ.
I'll turn you up, keep us moving 'til we're on a roll.
Everyone is dancing to their own beat,
And letting go, everybody's here gotta soul.

[Pre-Chorus 2]

It's Friday and there's no where to be.
We're kicking it together its so good to be free,
We got eachother and thats all we need.
The rest is up to you and me.

[Chorus]

Turn this park into a club,
The stars are lights and the moon is so bright from
above.
Skate board's here, its all right

So pull on up everyone is waiting for us.
Anywhere we are, anywhere we go,
Everybody knows.
We got the party with us.
Anywhere we are, anywhere we go,
Everybody knows.
We got the party with us.

We got the party with us.
Woo!
We got the party, we got the party.

[Bridge]
Life is for dreamers,
And I'm a believer,
That nothing can stand in our way today,
Let's find a place to play.
Yeah!

[Chorus]
Turn this park into a club,
The stars are lights and the moon is so bright from
above.
Skate board's here, its all right
So pull on up everyone is waiting for us.
Anywhere we are, anywhere we go,
Everybody knows.
We got the party with us.
Anywhere we are, anywhere we go,
Everybody knows.
We got the party with us.

Turn this park into a club,
The stars are lights and the moon is so bright from
above.
Skate board's here, its all right
So pull on up everyone is waiting for us.
Anywhere we are, anywhere we go,
Everybody knows.
We got the party with us.
Anywhere we are, anywhere we go,
Everybody knows.

We got the party, we got the party!
We got the party, we got the party with us!
We got the part with us!
