Uh oh, there you go again talking cinematic
Yeah you! You're charming, got everybody star struck
I know how you always seem to go
For the obvious instead of me but get a ticket and you'll
see

If we were a movie, you'd be the right guy
Yeah, I'd be the best friend that you fall in love with
In the end we'd be laughing, watching the sunset
Fade to black, show the names, play the happy song,
yeah

Yeah, yeah when I call you, can't you hear it in my
voice?
Oh sure! Wanna see me and tell me all about her
La la, I'll be acting through my tears
Guess you'll never know that I should win
An Oscar for the scene I'm in

If we were a movie you'd be the right guy
Yeah, I'd be the best friend that you fall in love with
In the end we'd be laughing, watching the sunset
Fade to black, show the names, play the happy song

Wish I could tell you there's a twist
A double-feature here tonight
And we're together, it's for real
Now playing

Wish I could tell you there's a kiss
Like something more than in my mind
I see it could be amazing
(It could be amazing!)

If we were a movie, you'd be the right guy
I'd be your best friend that you fall in love with
In the end we'd be laughing, watching the sunset
Fade to black, show the names, play the happy song

If we were a movie, you'd be the right guy
Yeah, I'd be the best friend that you fall in love with
In the end we'd be laughing, watching the sunset

Fade to black, show the names, play the happy song

If we were a movie!

(If we were a movie, you'd be the right guy)

Watch the sunrise!

(And I'd be the best friend that you fall in love with)

Watch the sunrise!

(In the end we'd be laughing, watching the sunset)

(Fade to black, show the names, play the happy song)
