Friday is the 13th to 24th
It's not so long to go
Though my face don't show
My temperature it's gettin' too low

I've seen it all in a dream
I know just how it's gonna feel
Like not to be alive anymore

I'll be dead by Xmas now anyway
Tell me, will you remember me that day
When you've found a new one
Who's better than I ever was?

I'll be dead by Xmas now anyway
Please give all my things away
They'll make great Xmas presents for you
And for all my friends

It hurts so inside to see you with another
From the edge of a cloud
Whatever happened to the promises that you gave
Before the angels took me away

So, here I'm all dressed in white
While you're drinking up my best red wine
And you don't realize that
I'm with you all the time

I'll be dead by Xmas now anyway
Tell me, will you remember me that day
When you've found a new one
Who's better than I ever was?

I'll be dead by Xmas now anyway
Please give all my things away
They'll make great Xmas presents for you
And for all my friends

It's getting so lonely without you
And I'm sure, I am jealous too
To see another man in my bed

Be sure I can't get no rest
Before you're up there with me

Come up, come up, come up, come up
I've been dead since Xmas now anyway
So, leave the flowers on my grave
There's sure a way you could join me
Any day around now, honey

You'll be dead by Xmas now anyway
You'll lay beside me in our family grave
We'll be making love eternally
In a spiritual way

We'll be dead by Xmas now anyway
We'll sell everything away
[Incomprehensible]

Dead by Xmas, dead and gone
Xmas is forever
Dead by Xmas, dead and gone
Xmas
