No one in the world likes me
No one gets it right with me
No one knows what I'm about
That's why I just scream and shout
No one stands up for the real me

YOU DON'T TAKE ME SERIOUS
SAY I'M JUST DELIRIOUS
I'M NOT RESPONSIBLE
I'M JUST IMPOSSIBLE
I'M JUST DELIRIOUS

Well I hope someone up there loves me
Don't know where I've been lately
Close my eyes and I see red
Was it something I just said
Maybe I'm going out of my head

YOU DON'T TAKE ME SERIOUS
SAY I'M JUST DELIRIOUS

I'M NOT RESPONSIBLE
I'M JUST IMPOSSIBLE
I'M JUST DELIRIOUS

No one knows what I'm about
That's why I just scream and shout
I'm going out of my head

YOU DON'T TAKE ME SERIOUS
SAY I'M JUST DELIRIOUS
I'M NOT RESPONSIBLE
I'M JUST IMPOSSIBLE
I'M JUST DELIRIOUS
