All the times I spent suffering in school  
Y'know, thinking I was so super cool  
And baby, all the teachers gave me so much grief  
I wanna blow 'em up just to get some relief

Sister, sister, they call me a parasite  
Sister, sister, they wanna bury me alive  
All day, all week, all term long  
They'd dump on me, hoping I'd be gone

Time made me realize, why should I be victimized?  
So I took control and decided to teach  
I wanna teach high school, high school, yeah

Listen, I tell the little buggers what to wear  
You know, I show 'em how to set and dye their hair  
And baby, there'll be no costumes at our swimming  
pool  
There'll be no ugly girls at my high school

Sister, sister, they call me a parasite  
Sister, sister, they wanna bury me alive  
All day, all week, all term long  
They'd dump on me, hoping I'd be gone

Girls who are very bright must stay in class all night  
And practice their Biology  
I love to teach high school, high school  
I need to teach high school, high school, yeah

1, 2, 3, 4, 5, 6, 7, 1, 2, 3, 4, 5, 6, 7  
1, 2, 3, 4, 5, 6, 7, 1, 2, 3, 4, 5, 6, 7

Time made me realize, that I could brutalize  
And get revenge with impunity  
If I could teach high school

A, B, C, D, E, F, G, how I love anatomy

A, B, C, D, E, F, G, how I love anatomy  
2 plus 2 and 3 plus 3, students have a ball with me  
A, B, C, D, E, F, G, how I love anatomy
