In the real dark night of the soul
It's always 3 a.m.
It's always darkest before the dawn
It never dawned on me
At my weakest I'm pretending to be strong
Sometimes the demons are too hard to control

IN MY DARKEST MOMENT
SOMETHING TAKES ME OVER, MAKES ME TURN A COLD
SHOULDER
IN MY DARKEST MOMENT
I NEED A REVELATION, DIVINE ILLUMINATION TO COME
MY WAY

Just when I thought I was me
It just wasn't me talkin'
And the last one that I'd ever wanna hurt
Stood right in my way
Hating is easy and loving takes real character
Love ain't in fashion in this hard stone cold hearted
world

IN MY DARKEST MOMENT
SOMETHING TAKES ME OVER AND I DON'T KNOW WHY
IN MY DARKEST MOMENT
I PRAY FOR REVELATION, DIVINE ILLUMINATION TO
COME MY WAY

(The pain, the grief, the agony...)

IN MY DARKEST MOMENT
SOMETHING TAKES ME OVER, MAKES ME TURN A COLD
SHOULDER
IN MY DARKEST MOMENT
IN MY BLACKEST HOUR I NEED SOMEONE TO COME AND
HELP TO LIGHT MY WAY

Let some light come my way...
