Take me down to the way back home
I lost all my money now I'm all alone
City boys stole my car, city girls stole my heart

Now won't you take me down to the way back home?
I lost all my money now I'm all alone
City boys stole my car, city girls stole my heart

Stole my heart, yeah

Well I been in trouble since I don't know when
Never got no money to pay my rent
The city life hits hard on me but I gotta keep on tryin?
Gotta keep on lying to myself

One day I will make it
And I'll become a wealthy man
I'll make as much money as I can
And I try so hard, try try try so hard

Try so hard, yeah

Take me down to the way back home
I lost all my money now I'm all alone
City boys stole my car, city girls stole my heart

Now won't you take me down to the way back home?
I lost all my money now I'm all alone
City girls stole my car, city boys stole my heart

Yeah yeah yeah

It's cold and it's rainin?
I'm not happy at all
As much as I can do what I want, yeah
Alone in the night, I lie back, I'm feelin? like a wretch

I know I'll survive here
Somebody, somebody, somebody
Somebody, somebody, somebody
I'm really gonna make it get high

Take me down to the way back home
I lost all my money now I'm all alone
City boys stole my car, city girls stole my heart

Take me down to the way back home
I lost all my money now I'm all alone
City boys stole my car, city girls stole my heart

Stole my heart, yeah
