I'll be a taxi driver for you honey, take you anywhere  
you want to

I'll be a taxi driver for you honey, take you anywhere  
you want to

Just call on me, I'll take you anywhere you want to

I'm a milkman for you, babe, I'll milk you anytime you  
want to

I'll be a milkman for you, babe, I'll milk you anytime you  
want to

Just call on me and you can milk me if you want to

Just call me on the telephone

Well then baby I wasn't at home

Sometimes you reach me, sometimes you don't

Sometimes when I'm all alone

I'll be a taxi driver for you honey, take you anywhere  
you want to

I'll be a taxi driver for you honey, take you anywhere  
you want to

Call me up, I'll take you anywhere you want to

Call me on the telephone

I wasn't at home

Sometimes you reach me, sometimes you don't

Darling when I'm all alone, no, no

Just call me on the telephone

Baby I said stop I wasn't at home

Sometimes you reach me, sometimes you don't

Sometimes when I'm all alone

You can call me on the telephone

[Incomprehensible] I wasn't at home

Sometimes you reach me, sometimes you don't

Sometimes when I'm all alone

I'll be your taxi driver

I'll be your taxi driver

Yeah I drive
