Look in the face of frustration
Flip of the switch of the faith ignition
To bind me up
IÃƒfÃƒ…Ãƒ,Ãƒ! beginning to see your filthy hands
IÃƒfÃƒ…Ãƒ,Ãƒ! one to admit, IÃƒfÃƒ…Ãƒ,Ãƒ³e taken for
granted
Taken a leap and regret where IÃƒfÃƒ…Ãƒ,Ãƒ³e landed
To bind me up
I want a healing hand

Ignition, Ignition, I donÃƒfÃƒ…Ãƒ,Ãƒ° wanna live my life
in contradiction
Ignition, Ignition, I donÃƒfÃƒ…Ãƒ,Ãƒ° wanna live my life
this way

Make a stand, take a position

On how you feel about the situation
This might mean you gotta change the way you live
Man I have lost friends for what I believe
But my heart yearns for integrity
This is the fight I am gonna win

Sometimes we talk too much and donÃƒfÃƒ…Ãƒ,Ãƒ°
allow change
