Visit "[Who's Hesitating](#)" on MotoLyrics.com

Hate the world plain and simple ,wanna see things in a
different perspective

Running with the boys that know it's been all about the
bitter rhetoric

Everyone knows who the toughest lad is and who threw
their first bottle

Who's the first one to end up in jail and who is the last
one left to follow

'cause I was tired of failing, sick of complaining.

Always hesitating. 'cause I know a better picture when I
see a better picture

These past years fads are as boring as the next,
king of the scene this year or failed the rules to pass
this rebel test,

so I shout ,shout for glory and honour and I shout
,shout for glory and strength

I will never apologize for the best thing that happened
to me

There will come a day when walls will crash and fall all
around us Jesus take em on come on
