Prick of the pin  
no blood on me  
I've been tested  
total wasted  
and too deep  
To the zone  
I retreat  
what doesn't kill you makes you strong eventually  
Blade to my skin, blurring the edge  
seven doves are waiting for me up ahead  
I just breathe in  
I just breathe out  
I've taken every hairpin curve by now  
I may crack but I'll never shatter  
I may crack but it doesn't matter  
I may crack but I'll never shatter  
I may crack  
Promise the world  
dropped in a pool  
Was it fun? Did you enjoy acting so cool?  
Well here's the thing  
still have my head  
I stumbled hard but I'm not sleeping in your bed  
Saved by the sun, no shame on me  
Come out screaming, it's the only time we're free  
I just breathe out  
I just breathe in  
I ride the wave until I come again  
I may crack but I'll never shatter  
I may crack but it doesn't matter  
I may crack but I'll never shatter  
I may crack  
but I'll never shatter cause:  
I still have a secret  
In the dark I keep it closed  
I still have a secret no one knows...  
I may crack but I'll never shatter  
Destiny wasted over and over  
I may crack but it doesn't matter  
In the darkness I won't shatter  
Shake down just did in time  
It's amusing that I'm still on fire

I just breathe in  
I just breathe out  
I may crack but I'll never shatter cause:  
I still have a secret  
In the dark I keep it closed  
I still have a secret no one knows  
In the dark I keep it closed  
I may crack but I'll never shatter  
I may crack but I'll never shatter  
I may crack but I'll never shatter  
I may crack...
