Never been in love (Hans York)

I was late
You were gone
I got drunk
You had fun
Guess I've never
I've never been in love with you

I got cold
You were hot
I was told
Whatever you've got
Guess I've never
I've never been in love with you

Oh now I let you go
Like a leaf down the river you float
About time you moved on
And on and on and on and on and on

I was stuck
You were lonely
Out of luck
Whatever you've told me
Guess I've never
I've never been in love with you

Oh now I let you go
On a boat down the river you float
About time you moved on
And on and on and on and on and on

I was hurt
Caught on fire
A lost soul
A burning desire
Guess I've never I've never been in love
Guess I've never I've never been in love
Guess I've never I've never been in love with you.
