The king and his men  
stole the queen from her bed  
and bound her in her bones  
the seas be ours and by the powers  
where we will we'll roam

yo ho  
all hands  
hoist the colours high  
heave ho  
theives and beggers  
never shall we die

some men have died  
and some are alive  
and others sail on the sea  
with keys to the cage

and the devil to pray  
we lay to Fiddler's green

the bell has been raised  
from its watery grave  
do you hear it sepulchral tone  
a call for all  
pay heed the squall  
and turn your sail towards home

yo ho  
all haul together  
hoist the colour high  
heave ho  
theives and beggers  
never shall we die
