Well I woke up this morning  
And the night had been so long  
It seems that I have had my mind on you  
Well the day, it has begun  
And I can't get a minute  
Can't get a minute without you, oh yeah

'Cause you're always on my mind  
You're always in my head  
And I can't live  
I can't live another day without you

'Cause when the minutes seem like hours  
And the hours seem like days  
Then a week goes by  
You know it takes my breath away  
All the minutes in the world  
Could never take your place  
There's one thousand four hundred and forty hours in  
my day

I've been trying to call you all day  
'Cause I got so many things that I want to say, yeah  
I'm going crazy  
'Cause all my thoughts are filled with you  
There's got to be some way  
I can get through to you

'Cause when the minutes seem like hours  
And the hours seem like days  
Then a week goes by  
You know it takes my breath away  
All the minutes in the world  
Could never take your place  
There's one-thousand-four-hundred and forty hours in  
my day  
In my day

I can't keep myself from thinking about you  
It's because I love you and I know that it's true, oh  
I'm calling desperation, but can't you see it in my eyes?  
That I wanna be with you until the sun falls from the sky

'Cause when the minutes seem like hours  
And the hours seem like days  
Then a week goes by  
You know it takes my breath away  
All the minutes in the world  
Could never take your place  
There's one-thousand-four-hundred and forty hours in  
my day

'Cause when the minutes seem like hours  
And the hours seem like days  
Then a week goes by  
You know it takes my breath away  
All the minutes in the world  
Could never take your place  
There's one-thousand-four-hundred and forty hours in  
my day

'Cause when the minutes seem like hours  
And the hours seem like days  
Then a week goes by  
You know it takes my breath away  
All the minutes in the world  
Could never take your place  
There's one-thousand-four-hundred and forty hours in  
my day

'Cause when the minutes seem like hours  
And the hours seem like days  
Then a week goes by  
You know it takes my breath away  
All the minutes in the world  
Could never take your place  
There's one-thousand-four-hundred and forty hours in  
my day, yeah
