

Hanson "Believe"

Visit "[Believe](#)" on MotoLyrics.com

I was holding on, now I'm letting go
This is nothing more than a pic show
Everything I knew now I hardly know
Busy keeping less never getting more

One more nickel dime I'm out the door
This kind of life I can't afford

I want to believe
There's something to believe
I would live only
Just to believe
Oh, I'd love to believe
It's not only me that's longing
Only just to believe
so believe,
'Cause I want to believe
oh i want to believe
I want to believe
oh wow

Can't put my mind at ease with the words I say
Trying to get myself to get out of my way
Birds in the trees just make me depressed
Seeing sunny skies, feeling emptiness

Layers of lies just seem to fold
This kind of life is all I know

I want to believe
There's something to believe
I would live only
Just to believe

Oh, I'd love to believe
It's not only me that's longing
Only just to believe
so believe,
'Cause I want to believe
I want to believe
oh wow

oh, Murder wears a friendly smile
Like the perfect end in a plastic vial
No pain
Sorry I can't seem to stay
But this bird was meant to fly away
Fly away, fly away

(guitar solo)

Layers of lies just seem to fold
This kind of life is all I know

I want to believe
There's something to believe
I would live only
Just to believe
Oh, I'd love to believe
It's not only me that's longing
Only just to believe
so believe,
'Cause I want to believe
I want to believe
oh wow

I will believe
I'd love to believe
I can believe in some
I will believe
I'd love to believe
I can't believe in noth
