Oh yeah  
Yeah  
Can't stop thinkin' about you  
No, I can't stop thinkin' about you

In the morning day or night  
I tremble at your sight  
It's impossible to fight, I've tried  
Now you're in my head  
And your mind I've read  
Gonna stop the words you say  
Now I

*[chorus]*

Can't stop thinkin' about you  
I Can't get you off my mind  
Ohhhh I can't stop thinkin' about you  
Thinkin' about you all the time  
Can't stop thinkin' about you  
I can't get you off my mind  
Ohhh I can't stop thinkin' about you  
Thinkin' about you all the time

Cupid's heart seeped through  
And all along you knew  
I just want you to be mine  
Nothin' I can do  
I'm all wrapped up with you  
Even if I wanted to  
I'm out of time

*[chorus]*

I want to know  
Say, why is it so  
Can't Stop thinkin' (Can't stop thinkin' about you)  
I want to know  
Say, why is it so  
Can't stop thinkin' (Can't stop thinkin' about you)

Why  
Ohhh yeah

*[Rap Break x 4]*  
Tick tock, Tick tock  
Goes the clock  
Not a second passes,  
I can't stop

*[Break x 4]*  
Can't Stop(Can't Stop)  
Can't stop it  
Can't Stop(Can't Stop)  
Can't stop

Take me to a place  
Where I can always see your face  
I really lost my way this time  
Tell me what it means  
I'am bursting at the seams  
You're in my thoughts, my dreams  
Yet I

*[chorus]*

I want to know  
Say, why is it so  
Can't stop thinkin'(Can't stop thinkin' about you)  
I want to know  
Say, why is it so  
Can't stop thinkin'(Can't stop thinkin' about you)  
I want to know  
Say, why is it so  
Can't stop thinkin'(Can't stop thinkin' about you)  
I want to know  
Say, why is it so  
Can't stop thinkin'(Can't stop thinkin' about you)  
Can't stop,yeah  
Can't stop  
Can't stop  
Whoa
