Oh yeah
Look to you baby, yeah

They're singing, "Deck the Halls"
But it's not like Christmas at all
I remember when you were here
And all the fun that we had last year

(Christmas)
The snow's coming down
(Christmas)
Now I'm watching it fall
(Christmas)
All the people around
(Christmas)
Baby, please come home

(Christmas)
Now the church bells in town
(Christmas)
Oh, they're singing a song
(Christmas)
Full of happy sound
(Christmas)
Baby, please come home

They're singing, "Deck the Halls"
But it's not like Christmas at all
I remember when you were here
Oh, and all the fun that we had last year

(Christmas)
Oh, now the snow's coming down
(Christmas)
Now I'm watching it fall
(Christmas)
All the people around
(Christmas)
I said, baby please come home

Yeah
Won't you please, oh?

They're singing, "Deck the Halls"
But it's not like Christmas at all
I remember when you were here
And all the fun that we had last year

(Christmas)
Now the snow's coming down
(Christmas)
Oh, I'm watching it fall
(Christmas)
All the people around
Baby, baby, baby, please come home

Baby, please come home
(I said baby, please come home)
Baby, please come home
(Oh, baby, please come home)
Baby, please come home
(Now I'm feeling all alone, oh)
Baby, baby, baby
(I said, baby, please come home)

Baby, please come home
(Baby, please come home)
Baby, please come home
(Oh, won't you come home?)
Baby, please come home
(I'm feeling all alone)
I said baby, baby, baby please come home

Baby, please come home
(Baby, please come home)
Baby, please come home
(Baby, please come home)
Baby, please come home
(I'm feeling all alone, I'm feeling all alone)
Baby, baby, baby
(Baby, please come home)

Oh, the snow's coming down
(Baby, please come home)
I'm watching it fall
(Baby, please come home)
Oh I said baby, baby, baby, baby, baby please come
home
(Baby, baby, baby)
The snow's coming down
Baby, please come home
