Oh yeah
You promised not to say a word
You promised you would keep it quiet
But you and I both knew it
It was written all over your face

So, I cried, oh yeah
The day you said goodbye, oh yeah
So I cried
The day that our love died
The day you said goodbye, died

We had a love I thought could last
I guess I was thinking four leaf clovers
But you wished we were over
Now I've lost three and I've only got one

So, I cried oh yeah
The day you said goodbye oh yeah
So, I cried
(You cried)
I cried
The day you said goodbye

Let's not even bother with talking about it
It doesn't really matter to you
So, get on home baby
Get on home baby, oh oh

A secret's something that you keep
And a heart is something to hold on to
But you play by your own rules
And one day it will blow up in your face
(Oh no, no, no, no)

So, you'll cry, oh yeah
The day he says goodbye
The day that your love dies
You'll cry, oh
The day he says goodbye
(Goodbye)

So, you'll cry
The day that your love dies
The day he says goodbye
So, you'll cry
The day that your love dies

The day he says goodbye
Goodbye, goodbye, goodbye
So, you'll cry, oh oh
The day he says goodbye
So, you'll cry, oh

The day he says goodbye oh
So, I cried oh, oh
The day she said, goodbye
Goodbye, goodbye
Goodbye, goodbye

Goodbye, goodbye
Goodbye, goodbye
Goodbye, goodbye
Goodbye, goodbye
Goodbye, goodbye
Here's to you, goodbye
