She moves with a tender kiss
and I can't stop feeling,
She soothes with her tenderness
and I can't stop feeling,
I don't even know her name,
but I can't stop feeling,
She says that she feels the same
and I can't stop feeling,
And if you let me try tonight
you just might see that I'm falling
deeper & deeper & deeper in love.

And I'm feeling

Yeah

And I'm falling
deeper & deeper & deeper in love.

And I'm feeling

more & more & more & more & more alone.

Yeah

Falling in love today

Falling in love

More & more alone and
