I heard you crying

Somebody stole my soul.

How could I be dying?

I turned 25 days ago.

Yeah, we're all...

CHORUS

On the ground just crying out,

"Somebody save me please."

I won't sit around just thinking about

Troubles that tomorrow brings.

Yeah

I'm dying to be alive, yeah

I'm dying to be alive, yeah

Let's not go through our lives

Without just dying to be alive, yeah.

The people you've touched, the way you've touched
them

I hope they've touched you, too

Cause in this life it's hard to tell

What's false and what is true.

CHORUS

And we all come tumbling down

No matter how strong

We all return to the ground.

Another day gone
A day closer to fate

Soon we'll find it's a little bit too late

Too late, yeah.

Yeah.

Na na na na na na na na na na.

The things you see

The way you see them

Will never be seen again

Just go through life

Living on luck

Betting ten thousand to ten

Mistakes I've made

in this life

I can't say why or when

but the thing that's strange is

you only live once

and never look back again

CHORUS

And we all go tumbling down

No matter how strong

We all return to the ground

When the day's come,

Say 'Why did I wait?'

You can't just leave your life up to fate.

You've got to turn it around

before it's too late.
