You stimulate me so much

Chorus:

Hungry, hungry for your love, hungry (2x)

So very special to me when your body's moving  
Your lips like candy so sweet and oh so soothing  
I've been waiting all night for you to come  
I'm infatuated by you, may I please have some  
Your seducing smile, I want you so so bad  
I'll be worth your while, the best and all you'd ever had  
Let me be the one, you give your love too  
No interuptions until we're through

Chorus

You stimulate me so much, you make my love rise  
Oh how I crave for your touch, got me hypnotized  
I don't care for your name, want to take you home  
Promise to do anything to have you all alone  
Every quality to make me pay for you  
Your so pleasurable, love is what i'm gonna do  
I've waited much to long, I know you know how  
I want you all my own, give me your love now, your love  
now

Chorus

Your love has me, a fantasy, realisticly , your what I  
adore  
Don't hesitate or procrastinate, soon you will see  
I can give you more, i'll give you more  
I said I wanna make sweet love to you baby, you and  
me, you and me  
Sexually we will be lovers eternally  
We can always find peace and joy  
We will be each others toy  
Just let me be your one and only

Your time should never, ever be wasted
