I can't wait  
I won't miss you when you're gone  
I've done my time  
I served it well  
I didn't want to speak my mind  
I held my tongue till the last shoe fell  
I'm gonna put it on the line  
I'm not the only song  
Saying I can't wait  
To be the one to knock you back off your feet again  
So pack your bags and be on your way  
I won't miss you when you're gone  
You made the rules in the dirty game  
And you break them way to easily  
You're always cruelest when you aim  
The insults in your quiver at me  
Chorus  
I can't wait  
To be the one to knock you back off your feet again  
To be the one to kick you down in the street again  
So pack your bags and be on your way  
I won't miss you when you're gone  
I can't wait  
I can't wait  
I won't miss you when you're gone
