When you have no light to guide you
And no one to walk to walk beside you
I will come to you
Oh I will come to you
When the night is dark and stormy
You won't have to reach out for me
I will come to you
Oh I will come to you

Sometimes when all your dreams may have seen better
days
And you don't know how or why, but you've lost your
way
Have no fear when your tears are fallin'
I will hear your spirit callin'
And I swear I'll be there come what may

When you have no light to guide you
And no one to walk to walk beside you
I will come to you
Oh I will come to you
When the night is dark and stormy
You won't have to reach out for me
I will come to you
Oh I will come to you

I will come to you

'Cause even if we can't be together
We'll be friends now and forever
And I swear that I'll be there come what may
When the night is dark and stormy
You won't have to reach out for me
I will come to you
Oh I will come to you

We all need somebody we can turn to
Someone who'll always understand
So if you feel that your soul is dyin'
And you need the strength to keep tryin'
I'll reach out and take your hand

I'll reach out and take your hand

Oh I will come to you
When you have no light to guide you
And no one to walk beside you
I will come to you
Oh I will come to you
When the night is dark and stormy
You won't have to reach out for me
I will come to you
Oh I will come to you

Oh I will come to you
Oh I will come to you

I will come to you,
Oh I will come to you
