

Hanson "If Only"

Visit "[If Only](#)" on MotoLyrics.com

Well every single time I see you I start to feel this way
It makes me wonder if I am ever gonna feel this way
again.

There's a picture thats hangin
in the back of my head
I see it over and over
I wanna hold you and love you
In my arms and then
I wanna need you
cuz I need to be with you till the end
Then I hear myself reply "You've got to hold it in" this
time tonight

If only I had the guts to feel this way, if only you'd look
at me and
want to stay, if only I could take you in my arms and
say, I won't go cuz
I
need you

Sit here waiting, wondering, hoping that I'll make this
right
Cuz all I think about is your hands, your face and all
these lonely
nights
There's a feeling screaming in the back of my head
Saying it over and over
I wanna hold you and love you
In my arms and then
I wanna need you
cuz I need to be with you till the end

Then I hear myself reply "She'll never let you in" this
time tonight

If only I had the guts to feel this way, if only you'd look
at me and
wanna
stay, if only I could take you in my arms and say, I won't
go cuz I need
you
I wanna hear you say it'll always be this way

And we'll be hand in hand for everynight and everyday
I wanna scream and shout cuz rules are never doubt
And all I care about is you and me and us and now
If only I had the guts to feel this way, if only you'd look
at me and
wanna
stay, if only I could take you in my arms and say, I won't
go cuz I need
you

Please don't go cause I need you now
Yeah. Cuz I need you
If only, yeah cuz I need you now
If only cuz I need you, I need you
If only , cuz I need you
If only cuz I need you
If only, yeah, if only...I need you now....yeah
