You're supposed to give more than you take
You had my heart on your plate
You stopped loving me so fast
There are stories left untold
But you act like they're all old
But then you and I we belong together again and I said

Whoaoh sha nah nah
Whoaoh sha nah nah
Whoaoh
I think I'm feeling lonely again
Whoaoh sha nah nah
Whoaoh sha nah nah
Whoaoh
I think I'm feeling lonely

You're supposed to look into my eyes
Forever and all time
You stopped loving me that way
And I never thought that I
I would ever have to cry out
That you and I we belong together again and I said

Whoaoh sha nah nah
Whoaoh sha nah nah
Whoaoh
I think I'm feeling lonely again
Whoaoh sha nah nah
Whoaoh sha nah nah
Whoaoh
I think I'm feeling lonely

I feel you tossing and turning
I know there are walls we have to climb
I sit here waiting and yearning
'Cause I know we can get by

You're supposed to look into my eyes
Forever and all time
You start loving me again
And now I know that I

I will never have to cry out
That you and I
We belong together again

Whoaoh sha nah nah
Whoaoh sha nah nah
Whoaoh
I think I'm feeling lonely again

Whoaoh sha nah nah
Whoaoh sha nah nah
Whoaoh
I think I'm feeling lonely

Whoaoh sha nah nah
Whoaoh sha nah nah
Whoaoh
I think I'm feeling lonely

Whoaoh sha nah nah
Whoaoh sha nah nah
Whoaoh
I think I'm feeling lonely
