You're supposed to give more than you take
You had my heart on your plate
You stopped loving me so fast
There are stories left untold
But you act like they're all old
But then you and I we belong together again and I said

Whoaoh sha nah nah
Whoaoh sha nah nah
Whoaoh
I think I'm feeling lonely again
Whoaoh sha nah nah
Whoaoh sha nah nah
Whoaoh
I think I'm feeling lonely

You're supposed to look into my eyes
Forever and all time
You stopped loving me that way
And I never thought that I
I would ever have to cry out
That you and I we belong together again and I said

Whoaoh sha nah nah
Whoaoh sha nah nah
Whoaoh
I think I'm feeling lonely again
Whoaoh sha nah nah
Whoaoh sha nah nah

Whoaoh
I think I'm feeling lonely

I feel you tossing and turning
I know there are walls we have to climb
I sit here waiting and yearning
Cause I know we can get by

You're supposed to look into my eyes
Forever and all time
You stopped loving me that way
And I never thought that I

I would ever have to cry out
That you and I we belong together again

Whoaoooh sha nah nah
Whoaoooh sha nah nah
Whoaoooh
I think I'm feeling lonely again

Whoaoooh sha nah nah
Whoaoooh sha nah nah
Whoaoooh
I think I'm feeling lonely

Whoaoooh sha nah nah
Whoaoooh sha nah nah
Whoaoooh
I think I'm feeling lonely

Whoaoooh sha nah nah
Whoaoooh sha nah nah
Whoaoooh
I think I'm feeling lonely
