Love Somebody To Know

I.Hanson / T.Hanson / Z.Hanson / S. Lironi

Conversations,
From 4 o'clock 'til 9
Confrontation - she'll never compromise
My new religion,
Is written in the song
I disbelieve it, but
I can't believe it's wrong

I can't explain what she does to me
You've got to love somebody to know
I can't explain how she sets me free
You've got to love somebody to know

Bubblicious, is what she likes to chew
Andy Warhol gave her a point of view
She reveals me, every lonely night
I can't believe it,
So just believe it's right

I can't explain what she does to me
You've got to love somebody to know
I can't explain how she sets me free
You've got to love somebody to know

We spend the weekends,
Shopping the five and dime
We spend the evenings,
Making up for lost time
I'm liberated, looking in her eyes
I can't believe it
I can't believe she's mine

I can't explain what she does to me
You've got to love somebody to know
I can't explain how she sets me free
