Lullabelle won the big show  
Got a picture frame by the window  
In the hall  
Where lovely girls go  
Lullabelle goes, Lullabelle no

Lullabelle no, no, no, no, no  
Lullabelle no, oh oh oh oh

You beauty queen that you are  
I'll put you down for a place in the stars  
I'll take your picture for all the world to see  
Lullabelle's leaving the ball  
Got no reason to stay  
Or people to see  
But everyone here knows your name  
From the light on your face in the frame

That hangs in the hall where lovely girls go  
Where Lullabelle goes, Lullabelle no

Lullabelle no, no, no, no, no  
Lullabelle no, oh oh oh oh
