Next Train

[I.Hanson / T.Hanson / Z.Hanson]

Â© 2001 Jam 'N' Bread

Well I finally found tomorrow
'Cause I just now found today
But I'm left with all the sorrow
Lingering from yesterday

So I'm leaving this behind on the next train
To what place, well I don't know
When I leave I may not ride on the best train
But it's time for me to let go

Well I'd love for you to be there
On the day I say goodbye
But I've lost too much to your stare
To even waste a sigh

So I'm leaving this behind on the next train
To what place, well I don't know
When I leave I may not ride on the best train
But it's time for me to let go
Yes it's time for me to let go

You're the drugs in my vein
You lift me up and leave me pain
I'm broken, beaten, barely sane
And I'm leaving on the next train
I gladly stayed to wade it through
And find out what I've meant to you
Now it's clear to me this time
So I'm leaving this behind

So I'm leaving this behind on the next train
To what place, well I don't know
When I leave I may not ride on the best train
But it's time for me to let go

So I'm leaving this behind on the next train
To what place, well I don't know
When I leave I may not ride on the best train

But it's time for me to let go
Yes it's time for me to let go
