Album: This Time Around

And I Waited For You
And I Waited For You

Just A Picture A Feeling And Face
How Could I Forget Your Touch
Your Warm Embrace
And The Shoes You Wore With Long Black Satin Lace
As You Walk Into My Mind

As I Walked Into This Old Forgotten Hall
Just One Look And I Began To Fall
Wish I Could Frame You
In This Feeling On The Wall
To Stare At 'til There Is No Time

Chorus
Oh I Waited For You
Just Hopin' That You'd Come Back To Me
I Waited For You
Run Run Runaway Run
Maybe Someday I Will Find Someone To
Run Run Runaway
Maybe Some Day
Maybe Some Day

From A Distance Watched The Flowers Brush Your
Cheek
As You Read The Words I Wrote
I Couldn't Speak
And Now I Lay Here Broken Hearted
And Blistered Feet
As You're Spinnin' 'round My Mind

Oh I Waited For You
Just Dreamin' Of You Coming To Me
I Waited For You
Run Run Runaway Run
Maybe Someday I Will Find Someone To
Run Run Runaway

Maybe Some Day
Maybe Some Day
Yeah
Maybe Some Day

When You Weep
You Can Know That It's All Right
As You Sleep
I'll Just Follow Your Door Light
We Can Talk Just As Long As You Hold On Tight
Just One Breath Is A Million Sighs
I Can Tell Every Breath Your Breathin'
I Can Feel Every Thought That You're Thinkin'
We Can Talk
It's A Thousand Years Gone By
You And I

Run Run Runaway Run
Maybe Someday I Will Find Someone To
Run Run Runaway
Maybe Some Day
Maybe Some Day
Run Run Runaway Run
Maybe Someday I Will Find Someone Way Maybe Some
Day Maybe Some Day I Was Away Yeah
