Waiting up all night
There's something on my mind
I need to tell you why
He's playing you for a fool
He's fooling 'round on you
And i just lost my cool
Feeling so sad

Too bad for the running man
Cause he waits too long so he can't
Come back again
Too bad for the running man
Cause i'm rright here waiting to make
That girl forget
Too bad for the running man, goodbye

Life isn't what it seems
Or something in a dream
That's not quite what i mean
I need to say goodbye
You think i didn't try
I'm not that other guy
I'm feeling so sad

Too bad for the running man
Cuase he waits too long so he can't

Come back again
Too bad for the running man
Cause I'm right here waiting to help
That girl forget
Too bad for the running man goodbye

Too bad for the running man
Cause he waits too long so he can't
Come back again
Too bad for hte running man
Cause i'm right here waiting to help
That girl forget
Too bad for the running man goodbye

It's too bad for the running man

It's too bad for the running man
It's too bad for the running man
It's too bad
It's too bad
It's too bad for the running man
It's too bad for the running man
It's too bad for the running man
It's too bad
It's too bad
