Ohh

Well I'm not feeling myself today
Just a figure in a big monopoly game
Struggle is the price you pay
You get just enough just to give it away
I'm sinking more than floating away
Just throw me a line so I can ache in my pain
The fabric is about to fray
The fabric is about to fray

Maybe you could take a look at yourself lately
Maybe you could take a look at yourself lately
Maybe you could take a look at yourself lately
Things keep coming and I keep wondering
And I start feeling the walls close in
Things keep coming and I keep stumbling
I start feeling strong enough to break
I start feeling strong enough to break

I've been running through my mind today
Somebody has to catch your hypocrisy
No one ever takes the blame

But everyone is searching for a cure to the pain
Nothing ever seems to change
Oh, nothing ever seems to change
We just play broken records in a deaf man's charade

Maybe you could take a look at yourself lately
Maybe you could take a look at yourself lately
Maybe you could take a look at yourself lately
Things keep coming and I keep wondering
And I start feeling the walls close in
Things keep coming and I keep stumbling
I start feeling strong enough to break
I start feeling strong enough to break

I start feeling strong enough...

Oh yeah

Strong enough to break

Strong enough to break
