Whoa

I'm definately sure,

That I'm not sure.

Whoa

Sittin' on the corner of nowhere road.

Just between 'i wish I could',

And 'i don't know'.

Rain is splashing up between

Her toes.

She doesn't know her own area code

She's the picture

Of a heart of gold.

On the edge of depression and unknown.

And a picture

Of the wrong high road.

Now it's too late for

A fight or foe.

Now she's lookin' at me to know.

The faucet's runnin'

And my car got towed.

(chorus)

I'm sure about it.

I'm definately sure,

That I do surely doubt it

I wish that I could say

That I was sure about it.

I'm definately sure,

That I'm not sure.

Whoa.

Did you see the man

With the cocaine load?

It's on sale for the price of his soul

And a man with a long trench coat

Wish I could hide in a big black hole.

Seeing all your brains infold.

And you're crawling

Down a long, long road.

Feeling for a box named home
All you're missing is
A heart they stole.
They're lookin' at me to know.
My heart is pumpin'
And my feet got cold.

I'm sure about it.
I'm definately sure,
That I do surely doubt it
I wish that I could say

That I was sure about it.
I'm definately sure,
That I'm not sure.
Yeah.
I'm definately sure,
That I'm not
Yeah
Sure.
I'm sure that I'm not
Sure.
You know, oh yeah.
Oh yeah.
Oh huh.

Sittin' on the corner of nowhere road.
Just between 'i wish I could',
And 'i don't know'.
There's a man with a long trench coat.
Wish I could hide in a big black hole.

They're lookin' at me to know.
My heart is pumpin'
And my feet got cold.

I'm sure about it.
I'm definately sure,
That I do surely doubt it
I wish that I could say
That I was sure about it.
I'm definately sure,
That I'm not sure.
Yeah.
I'm definately sure,
That I'm not sure about it.
I'm definately sure,
That I do surely doubt it
I wish that I could say
That I was sure about it.
I'm definately sure,

That I'm not sure about it.
Yeah.
I'm definately sure,
That I'm not sure
That I'm not
Yeah.
You know, oh yeah.
I'm definately sure,
That I'm not sure
Oh yeah.
