Something has been going on and I don't know what it
is

You don't mind the taking girl, but you don't know how
to give

You drove me crazy but I don't know baby

You're thinking that it's me you're fooling

Where's the right in, all of our fighting?

Look at what you're doing

Where's the love

It's not enough

It makes the world go 'round and 'round and...

Where's the love

Give it up

It makes the world go 'round and 'round and 'round

Can you tell me what you see whenever you look
around?

We're tripping all over ourselves and pulling each other
down

We're separating, consciousness is fading

Are you thinking that it's me you're fooling?

Where's the right in, all of our fighting?

Look at, look at, look at what we're doing

Where's the love

It's not enough

It makes the world go 'round and 'round and...

Where's the love

Just give it up

It makes the world go 'round and 'round and 'round

Dark clouds all around, lightning, rain pouring down

Waiting for the bright light to break through

Face down on the ground

Pick us up at the lost and found

We've got to change our point of view, if we want the
sky blue

(solo)

We're segregating, consciences are fading

You're thinking that it's me you're fooling
Where's the right in, all of our fighting
Look at what we're doing

Where's the love
It's not enough
It makes the world go 'round and 'round and...
Where's the love
Just give it up
It makes the world go 'round and 'round and 'round

Where's the love
It's not enough
It makes the world go 'round and 'round and 'round
and 'round
Where's the love
Just give it up
It makes the world go 'round and 'round and 'round

Where's the love
It's not enough
Give it up, just give it up, give it up, give it up, 'round
and 'round and 'round

Where's the love
It's not enough (not enough, not enough)
It makes the world go 'round and 'round and 'round
and 'round
Where's the love
Just give it up

Won't you, won't you give it up
