You're talking candy from the jar

You spin the lid
which one first?
Desert of temptation
what soda will quench this thirst?

Don't wanna be left behind

The grass is always greener on the other side.
So don't you treat me like the first -

Chocolate in the box
I know you'll take another

What you want is a looker
not a lover in the box

'Cause I know you'll take another
what you want is a looker.

Not a lover I've discovered.

You want your cake and eat it with a silver spoon in
your hand
Don't give me that innocent girl thing

'Cause I'll close the door with a slam.

Don't wanna be left behind

...

Chocolate in the box
I know you'll Take another

...

Chocolate in the box
I know you'll take another

...

Chocolate in the box
I know you'll take another

...

Chocolate in the box
I know you'll take another
